21st Century Early Childhood
Education & Care

Inspiring Excellence, Shaping Futures.

Combining the Montessori approach and Malaysia national kindergarten curriculum, our unique kindergarten programme offers an environment where children's intellectual abilities and self-esteem grow hand-in-hand, where imagination and curiosity are cultivated, where they learn to respect all culture and all people, and where teachers genuinely care for them.

With our fun learning curriculum designed to support the whole child development, Brain Champs kindergarten is just such a place for nurturing children in the early years, laying the strong foundation to excel in Chinese primary school and in life.

A Unique Kindergarten Program

Brain Champs merges Montessori and Malaysia's kindergarten curriculum, nurturing both intellect and self-esteem in a unique program.

Our "Follow the Child" approach tailors learning to each child's unique needs and pace.

Mandarin Focus

Mandarin is a core focus in our curriculum, and the teaching of Mandarin begins at the youngest level. We believe in equipping children with this invaluable skill from an early age, ensuring they are well-prepared for entering Chinese school.

Nurturing Imagination and Curiosity

We prioritize nurturing children's curiosity, creativity, and critical thinking through hands-on, guided activities, fostering a lifelong love for learning.

Whole Child Development

Our fun and engaging curriculum are designed to support the holistic development of the child. We focus not only on academic skills but also on social-emotional growth, physical development, and life skills that prepare them for success in Chinese primary school and beyond.

Qualified & Nurturing Educators

Our dedicated educators are more than just teachers; they are mentors, guides, and partners in your child's educational journey. They genuinely care for each child and are committed to helping them reach their full potential.

Convenient Location

Located at a convenient and accessible spot, Brain Champs Kindergarten provides ease for parents and guardians in dropping off and picking up their children.

Respect for All

In our diverse and interconnected world, we teach children to respect all cultures and all people. We foster an inclusive environment where every child feels valued and celebrated for who they are.

Safety as Our Priority

The safety of your child is our utmost priority. Our facilities are equipped with adequate safety measures, ensuring a secure and comfortable environment for all.

Join Us at Brain Champs Kindergarten

We invite you to join us at Brain Champs Kindergarten, where children's growth, happiness, well-being, and safety are our top priorities. Together, we can lay a strong foundation for your child's future success in both academics and life.
